The Rama Entities shall provide to OLG on an annual basis within 180 days of the end of each Operating Year an audited statement setting out the operating and maintenance costs for such services. The cost of any garbage, recycling disposal or snow removal shall be as agreed to by the Parties, acting reasonably, on a basis consistent with past practice within the Territory.

6.2 Rama Attractions and Amenities.

In order to assist Rama in the promotion of attractions and amenities operated by Rama in the Territory on lands not leased by OLG, and to assist Rama in developing Rama's own initiatives that will benefit from OLG's marketing initiatives concerning the Complex, OLG agrees that it will: (i) permit Rama to have its own linked page under Rama's control advertising such activities accessed by clicking on a button on the Complex website and to have a link on the Complex website to Rama's website and (ii) include notice of such activities on video notice boards in the Complex; provided that OLG may discontinue access to such linked page or Rama's website and may discontinue placing notices on such video notice boards if OLG determines such activities or any content on such linked page (including further links) or Rama's website, are inappropriate, including, without limitation, for reasons related to promotion of hate, pornography, full or partial nudity, electronic gambling and other illegal activities. OLG will also advise Rama in advance of any significant marketing activity that will be undertaken by OLG concerning the Complex that could reasonably be expected to increase the number of visitors to the Complex.

6.3 Quarterly Gross Revenues Report.

OLG shall, within 60 days after the end of each calendar quarter of the Complex, commencing for the first calendar quarter of 2011, prepare and submit to Rama a written report (the "**Quarterly Gross Revenues Report**") for the account and expense of the Complex, in a format approved by OLG and Rama, acting reasonably, for the Complex setting out:

- (ii) any other information that may be requested by Rama, acting reasonably, that relates to Rama's responsibilities as landlord and to Rama's entitlement to the Rama Fee.

6.4 Quarterly Meeting.

OLG agrees to meet with Rama on a quarterly basis to discuss each Quarterly Gross Revenues Report provided by OLG to Rama pursuant to Section 6.3 and such other matters as are significant to Rama's responsibilities as landlord and Rama's financial entitlements under this Agreement and the other Material Agreements, such meeting to occur by the end of the second month after the end of the calendar quarter in respect of which the relevant Quarterly Gross Revenues Report has been provided.

6.5 Rama Review of Quarterly Gross Revenues Report.

Rama shall be entitled to submit any objection it may have with respect to any Quarterly Gross Revenues Report, within 60 days after submission of the same to Rama by OLG. If Rama does not submit any objections in respect of such Quarterly Gross Revenues Report, within such 60 day period, then Rama shall not be entitled to object to or take issue with such Quarterly Gross Revenues Report, provided that it is expressly understood and agreed that the failure of Rama to object to or take issue with such Quarterly Gross Revenues Report, within such 60 day period shall not:

- (i) preclude Rama from subsequently taking any action or exercising any remedies available at law by reason of any fraudulent misrepresentation contained in such Quarterly Gross Revenues Report, or

6.6 Annual Financial Statements for Complex.

OLG shall deliver to Rama as soon as practicable and, in any event, within 90 days after the end of each Operating Year the audited annual financial statements of the Complex as at the end of each such year (the "**Casino Rama Financial Statements**"), such financial statements to consist of at least a balance sheet as at the end of the year and statements of income, all Quarterly Gross Revenues Reports related to such year, retained earnings and changes in financial position for the year then ended, with a report of the auditors on such financial statements.

ARTICLE 7
SHORT TERM FUTURE DEVELOPMENT

7.1 Employee Parking Lot.

OLG agrees that, within 90 Business Days of the date of this Agreement, it shall enter into arrangements with Rama for the lease (the "**Employee Parking Lot Lease**") of seven acres of land in the Territory at an initial annual cost per acre of \$125,000, which lease shall run for the remainder of the Term (as defined in the Development and Operating Agreement) and for the Applicable Period, terminating concurrently with the termination of the Applicable Period and which seven acres of land will be used for the construction and development of a parking lot for employees of the Complex (the "**Employee Parking Lot**"). The annual rent of \$125,000 per acre shall be in effect for the first twelve month period following the entering into of the Employee Parking Lot Lease and shall be adjusted at the beginning of each successive

twelve-month period following such first twelve-month period to the amount obtained by multiplying the rent per acre for the previous twelve-month period by a fraction the numerator which is the CPI for first month in the twelve-month period for which the rent is being adjusted and the denominator of which is the CPI for the first month in the immediately preceding twelve-month period. The Employee Parking Lot Lease will be effected by Rama taking all necessary actions as may be appropriate to provide OLG with all necessary legal rights to use and occupy the lands for the Employee Parking Lot, by way of lease. The Parties agree that OLG shall be responsible, from and after August 1, 2011, for all obligations (including any costs of termination) in respect of a lease with 1157397 Ontario Ltd. for land not part of the Territory which is currently being used by the Complex for employee parking, if such lease is then in effect.

7.2 Administration Centre.

OLG agrees that, within six months of the date of this Agreement, it shall enter into good faith discussions with Rama for the construction, development and location of an administration centre for the Casino (the "**Administration Centre**") that would replace the existing complex of buildings that function as the administration offices for the Casino. The purpose of these discussions would be to determine the size and location of the Administration Centre and to determine if lands in the Territory in addition to Territory lands already leased by OLG are required for the Administration Centre.

7.3 Lands for Administration Centre.

If the Parties determine that the optimal location for the Administration Centre is an area immediately adjacent or connected to the Casino within lands currently leased or rented by OLG from Rama, OLG agrees that it shall lease other lands in the Territory of a size equal to the footprint of the Administration Centre if the location of the Administration Centre results in a reduction of the area available for parking for patrons of the Casino.

7.4 Lease Cost.

Any lands in the Territory to be leased for the Administration Centre as described in Section 7.2 or to be leased in a size equal to the footprint of the Administration Centre pursuant to Section 7.3 shall be leased by Rama to OLG at an annual cost per acre equal to the CPI Adjusted Rental Rate and by way of lease terminating concurrently with the termination of the Applicable Period. The lease of such lands will be effected by Rama taking all necessary actions as may be appropriate to provide OLG with all necessary legal rights to use and occupy the lands for the Administration Centre or otherwise as desired by OLG.

OLG agrees that, within six months of the date of this Agreement, it shall undertake a master planning initiative (the "**Master Planning Initiative**") to identify development opportunities and new amenities that would support and enhance the success of the Casino. OLG shall be solely responsible for the expenses of the Master Planning Initiative. OLG shall invite Rama to participate in the Master Planning Initiative and agrees that it shall consult with Rama respecting the conduct of the Master Planning Initiative and respecting decisions to be made concerning the opportunities and amenities to be identified, studied and evaluated as part of the Master Planning Initiative; provided, however, the Parties agree that the selection of any consultants or other advisors to be retained to participate in the Master Planning Initiative shall be at the sole discretion and cost of OLG. OLG agrees that the development of an attraction focused on Aboriginal culture shall be one of the opportunities to be studied and evaluated as part of the Master Planning Initiative.

8.2 Lands for Any Master Planning Initiative Developments.

After consulting with Rama, OLG shall have the sole discretion to decide whether to develop any viable development opportunities identified, studied and evaluated as part of the Master Planning Initiative. The Parties acknowledge that the matters set out in Sections 3.1 and 3.2 of this Agreement may have an impact on OLG's exercise of its sole discretion in determining whether a development opportunity is viable. If OLG decides to proceed with any such opportunities and any such opportunities require lands in the Territory in addition to those Territory lands already leased by OLG at such time, and Rama agrees to the location of such opportunities on those lands, Rama shall lease such additional lands to OLG at an annual cost per acre at the CPI Adjusted Rental Rate and for a term terminating concurrently with the termination of the Applicable Period. Pursuant to any such lease, OLG shall assume full responsibility for obtaining all requisite environmental and other clearances at its cost prior to entering into such lease.

**ARTICLE 9
WATER TREATMENT AND SUPPLY**

9.1 Water Supply and Treatment Agreement.

OLG agrees that, within 90 Business Days of the date of this Agreement, it shall enter into good faith discussions with Rama for purposes of entering into an agreement relating to the supply of water to, and the treatment of water for, the Complex, including waste water treatment equipment and facilities for the Complex. Such agreement shall include terms agreed between the Parties, acting reasonably, on

a basis consistent with past practice within the Territory for the provision by Rama of water and wastewater services and rates for such services which rates shall have included in them the costs of operating and maintaining such equipment and facilities (including capital replacements and improvements on commercially reasonable terms).

ARTICLE 10 **TRAINING AND EDUCATION**

10.1 Gaming and Executive Development Training Centre.

Within 90 Business Days of the date of this Agreement, the Parties agree to embark upon planning for the development of a gaming and executive development training centre (the "**GED Training Centre**") in the Territory in cooperation with a recognized post-secondary educational institution in Ontario, which institution shall be a co-sponsor/founder of the GED Training Centre and which institution and Rama shall lend their names to the GED Training Centre in order to bring credibility and recognition to it.

10.2 Governance of GED Training Centre.

The Parties agree that the GED Training Centre shall be governed by an arm's length governance structure that is independent of each of OLG and Rama comprised of representatives of Rama, OLG and the post-secondary educational institution that is co-sponsor/founder, as well as such other outside members whose credentials and expertise should contribute to the success of the GED Training Centre (and on which Rama's and OLG's representatives, collectively, shall comprise a minority of the members).

10.3 Objective of GED Training Centre.

The Parties agree that the primary objective of the GED Training Centre shall be to provide training and educational services to Aboriginal and non-Aboriginal people to enable them to achieve employment with, and advancement through to executive positions with, the gaming industry in Ontario, elsewhere in Canada, the United States of America and elsewhere in the world. In addition, the GED Training Centre shall offer training services to the gaming industry specifically designed for the needs of specific customers.

Rama and OLG shall co-operate in identifying, and Rama (or OLG, if it will be a sublease of land already leased by OLG) shall provide a site for the GED Training Centre, which site options shall include (i) incorporating the GED Training Centre into the new Administration Centre; (ii) utilizing the current administration offices' space and lands; and (iii) other potential sites in the Territory. The final decision concerning location shall be at the sole discretion of Rama; provided that if the location is to be on lands leased by OLG from Rama, the location shall be subject to OLG's prior written approval.

10.5 Costs and Expenses.

(a) OLG agrees to contribute \$2,000,000 towards the capital costs of the GED Training Centre in order to assist in the cost of development of the GED Training Centre, such contribution to be paid by OLG upon presentation to and acceptance by OLG (acting reasonably) of a detailed "Business Plan and Development Concept" for the GED Training Centre.

(b) Within thirty (30) Business Days of the date of this Agreement, OLG agrees to contribute (i) the services of a suitably qualified person and (ii) a lump sum payment of \$250,000 towards the cost of retaining expertise, to assist in the development of the "Business Plan and Development Concept" for the GED Training Centre.

(c) OLG agrees that it shall enter into good faith discussions with Rama regarding support from OLG for the GED Training Centre through (i) the waiver of leasing costs as set out in Subsection 10.5(d) and (ii) the payment by OLG to the GED Training Centre of an annual committed amount for the purchase from the GED Training Centre of training services for and/or the development of specific training programs for Casino employees, OLG personnel and other Ontario gaming employees.

(d) The GED Training Centre shall be responsible for its own leasing costs, unless the GED Training Centre is located in the Administration Centre or otherwise on land currently leased by OLG, in which case the GED Training Centre will not be responsible for its own leasing costs but shall be responsible for its own operating costs such as utilities, maintenance, and other similar costs; provided, however, in such circumstances, the leasing costs that otherwise would have been payable by the GED Training Centre to OLG shall be regarded as support from OLG for the GED Training Centre as set out in Subsection 10.5(c).

ARTICLE 11

11.1 **Rama's First Opportunity.**

OLG agrees that, in respect of the development of the Employee Parking Lot, the development of the Administration Centre and the development of any future development project identified by the Master Planning Initiative, with which OLG decides in its sole discretion to proceed, if such development is located on lands in the Territory, Rama shall be given the opportunity to assume the role of developer of each such development project on substantially the same terms as contained in Article 2 of the Development and Operating Agreement and in the Expansion Project Development Agreement, *mutatis mutandis*, provided that, unless otherwise determined by the parties, Rama's responsibilities will not include funding or financing.

11.2 **Financing.**

Each of Rama and OLG agrees that it shall cooperate in a reasonable manner to provide commercially reasonable assurances to lenders to assist in obtaining financing for the development of any Future Development.

11.3 **Ability of Rama Corporations to Assign Revenue Streams.**

(a) Rama may, without the consent of any other Person, from time to time and at any time assign, sell, encumber or otherwise transfer its entitlement to receive the Rama Fee, free of all equities, in whole or in part, by way of absolute assignment, security or otherwise to any Person. Notwithstanding Section 15.7, OLG agrees not to assert any equitable remedies including, without limitation, rights of set off, that may arise or have arisen prior to, concurrently with or following any such assignment, sale, encumbrance or other transfer in its favour against Rama against any Person to whom such entitlement to receive the Rama Fee has been assigned, sold, encumbered or otherwise transferred. - (e) No Violation. Neither the execution and delivery of the Applicable Agreements nor the fulfilment of or compliance with the terms and conditions hereof:
 - (i) conflicts with or results in a breach of any of the terms, conditions or provisions of or constitutes a default under the constating documentation of the Rama Corporations;
 - (ii) conflicts in a material respect with or results in a material breach of any of the terms, conditions or provisions of or constitutes a material default under any material agreement, licence or other instrument to which Rama or any Rama Corporation is a party or by which it is bound;
 - (iii) subject to Section 22.16, conflicts with or is inconsistent with the *Indian Act* (Canada) and regulations, by-laws enacted pursuant to that Act (including by-laws of Rama), or with any other Applicable Law; or
 - (iv) conflicts with or is inconsistent with or any other Material Agreement.
- (f) Ground Lease. Casino Rama Inc. has a valid and subsisting leasehold interest in and the right to quiet or peaceful enjoyment of the lands identified as Complex Sublease Lands in Schedule 1 hereto pursuant to the Ground Lease for the full term thereof. The Ground Lease is a legal, valid and binding agreement, enforceable in accordance with its terms, of Casino Rama Inc. and, to the knowledge of the Rama Corporations and Rama, of each other Person that is a party thereto. Neither Rama, any of the Rama Corporations nor, to the knowledge of the Rama Corporations and Rama, any other Person that is a party to the Ground Lease, is in default thereunder.
- (g) Complex Lands. The Rama Corporations and/or Rama have adequate rights of ingress and egress with respect to the Complex Lands so as to permit the efficient operation of the Complex. The Complex Lands are free and clear of all Liens, other than Permitted Liens, and one or more Rama Entities are in possession of the Complex Lands. No Persons other than OLG have any right, interest, permit, privilege or claim of any kind in or in respect of title to the Complex Lands that would have a material adverse impact on the operation of the Complex during the Term.
- (h) Complex Sublease. Subject to Section 22.16, the Complex Sublease is a legal, valid and binding agreement of Casino Rama Inc., enforceable in accordance with its terms.
- (i) Environmental Matters. All environmental assessments required under Applicable Law, including Environmental Law,

have been completed and all necessary and appropriate approvals or permits have been granted or obtained. To the knowledge of the Rama Corporations and Rama, there is no pending or threatened Environmental Claim in respect of the Complex Lands, or in respect of any adjacent lands that, in respect of such adjacent lands, could reasonably be expected to materially impact on the operation of the Complex. Rama has made available to OLG all environmental investigations, audits, assessments and reviews that are in its possession or of which it is aware with respect to the Complex Lands.

12.3 Survival of Representations and Warranties.

The representations and warranties of the parties contained herein are given as of the date hereof and shall survive the execution and delivery of this Agreement.

ARTICLE 13 INTELLECTUAL PROPERTY

13.1 Trade Marks.

Notwithstanding Section 13.2, the Parties acknowledge and agree that the trade marks and trade names "Casino Rama" (including the trademark attached hereto as Schedule 13) and any design relating thereto and any trade mark, trade name or design developed specifically for the sole and exclusive use in conjunction with or to solely and exclusively identify the Complex are the sole property of Rama, which property may be assigned to a Rama Corporation. These trade marks shall be used to identify the Complex, and Rama and OLG shall agree as to any new name or trade mark to identify the Complex. OLG (and the Operator, if any, on OLG's behalf) may, to the extent that it deems appropriate for the purposes of carrying out its agreements and obligations, but is not required to, utilize such trade marks and trade names in connection with the operation of the Complex during the Applicable Period. During the Applicable Period, Rama grants to OLG and the Operator (on OLG's behalf) a royalty-free, non-transferable, exclusive right to use such trade marks and trade names and any design relating thereto in connection with the operation, advertising and promotion of the Complex and related activities and the right to sub-license such rights; provided that Rama retains the right to use, the trade marks, trade names and designs relating to (i) soft goods and novelties such as t-shirts, sweaters and caps; (ii) stationery, business cards and other items used by and pertaining to the Rama First Nation and (iii) subject to the prior written approval of OLG, activities, events or attractions sponsored by Rama.

13.2 Intellectual Property.

Subject to Section 13.1, the Parties acknowledge and agree that (other than Intellectual Property that includes the name "Rama" or any other Intellectual Property of Rama described in Section 13.1 above) any Intellectual Property developed during the Applicable Period for use in conjunction with the Complex and paid for by OLG or out of the proceeds of the operations of the Complex shall be the property of OLG.

ARTICLE 14 DISMISSAL OF LITIGATION

14.1 Dismissal of Litigation.

Subject to the terms and conditions hereof, concurrently with the execution and delivery of this Agreement:

- (a) Each of Rama, OLG and the Province agrees to deliver, in the form attached as Schedule 14, an executed consent with the form of Order attached, authorizing an Order granting the dismissal without costs of the action commenced in the Superior Court of Justice of Ontario bearing court file number 04-CV-273527CM3 (the "**RST Action**"). OLG shall make best efforts to obtain the execution of such consent on behalf of CHC Casinos Canada Limited ("**CHCCCL**") and Ontario Gaming Assets Corporation ("**OGAC**").
- (b) Rama and the Province agree to deliver in the form attached as Schedule 15, an executed consent with the form of Order attached, authorizing an Order granting the dismissal without costs as against the Province of any claim for damages based upon an alleged delay in the construction of the Casino (the "**Construction Delay Claim**") and of any claim that the Province is obligated to pay 20% of the Casino Rama revenues to Rama and/or the other Ontario First Nations (the "**20% Claims**") which Rama asserts are pleaded in an action commenced in the Superior Court of Justice of Ontario bearing court file number 01-CV-219345CM2 (the "**35% Action**"). For greater certainty, Rama, OLG and the Province agree that: (i) notwithstanding the dismissal of the Construction Delay Claim and the 20% Claims, Rama shall be fully entitled to exercise all of its rights of appeal in respect of the Judgment of Mr. Justice Gans dated September 15, 2008 (the "**35% Judgment**") in the 35% Action; and (ii) regardless of the outcome of the appeal of the 35% Judgment, Rama's entitlement to any share of the revenues under the Casino Rama Revenue Agreement shall cease as of August 1, 2011.
- (c) Each of Rama and the Province agrees to deliver in the form attached as Schedule 16, an executed consent with the form of Order attached, authorizing an Order granting the dismissal without costs of the crossclaim and any claims asserted by Rama against the Province in the action commenced in the Superior Court of Justice of Ontario bearing court file number 98-CV-152417CM2 (the "**20% Action**").

- (d) Each of Rama and the Province shall make best efforts to obtain a consent to the dismissal of the RST Action as executed on behalf of Ontario First Nations Limited Partnership ("OFNLP"). In the event that OFNLP's consent is obtained, Rama will immediately take steps to have the consent Order issued and entered in the Ontario Superior Court of Justice in respect of the RST Action. In the event that OFNLP refuses to consent to a dismissal, Rama and OLG shall jointly take whatever steps are necessary to obtain an Order of the Ontario Superior Court of Justice dismissing the RST Action as against OLG, the Province, OGAC and CHCCCL.
- (e) Each of Rama and the Province shall make best efforts to obtain a consent to the dismissal of the 20% Claims and the Construction Delay Claim in the 35% Action and a consent to the dismissal of the crossclaim in the 20% Action from the Chiefs of Ontario ("COO") and OFNLP. In the event that such consents are obtained, Rama will immediately take steps to have the consent Orders issued and entered in the Ontario Superior Court of Justice in respect of the Construction Delay Claim, the 20% Claims and the crossclaim in the 20% Action. In the event that OFNLP and/or COO refuse to consent to these dismissals, Rama and the Province shall jointly take whatever steps are necessary to obtain Orders of the Ontario Superior Court of Justice dismissing the Construction Delay Claim, the 20% Claims and the crossclaim in the 20% Action as against the Province on terms that are without prejudice to any claim by Rama for costs as against COO and OFNLP.
- (f) Rama shall execute and deliver to OLG, OGAC, the Province and CHCCCL a Full and Final Release in respect of the RST Action in the form attached hereto as Schedule 17.
- (g) Rama shall execute and deliver to the Province a Full and Final Release in respect of the 20% Claims, the Construction Delay Claim and the crossclaim in the 20% Action in the form attached hereto as Schedule 18.

ARTICLE 15

APPLICABLE PERIOD AND TERMINATION

15.1 Applicable Period.

This Agreement shall be effective as of the date hereof. This Agreement and the Applicable Period shall, subject to earlier termination in accordance with the provisions hereof and subject to any extensions in accordance with Section 15.2, terminate on July 31, 2031.

15.2 Extension of Applicable Period.

The Parties agree that OLG shall have two successive options to extend this Agreement for successive extension periods of ten years and then five years, with the first such extension commencing on August 1, 2031. The exercise of each of the extension options shall be in the sole discretion of OLG, following consultation with Rama. In order to be effectively exercised, each extension option must be exercised by written notice given by OLG to Rama no later than eighteen months prior to the commencement of that extension period which is the subject of the extension option. If an extension notice is not given as aforesaid, this Agreement and the Applicable Period shall terminate on the later of July 31, 2031 and the expiration of any extension period for which an extension option has been exercised. Rama agrees and acknowledges that at the end of the Applicable Period, whether or not any extension options have been exercised, it shall not bring any legal action against OLG or the Province seeking an Order requiring the exercise by OLG of any extension option(s) or seeking compensation for any determination by OLG not to exercise such option(s).

15.3 Termination by OLG.

Subject to Section 15.5 and to any agreements entered into with any lender in respect of a loan related to the Complex which has been approved by each of OLG and Rama, one of the following events shall happen:

- (a) any Party fails to make any payment when due to OLG under this Agreement and any such failure remains unremedied for 10 Business Days after notice thereof by OLG to such Party;
- (b) any Party (other than OLG) fails to perform or observe any other term, covenant or agreement contained in this Agreement in any material respect and any such failure remains unremedied for 30 days after such other Party receives notice of such failure from OLG or such longer period as may be reasonably regarded as necessary to remedy such failure, provided that such other Party has commenced within a reasonable time and in good faith the remedying of such failure within such 30 day period and thereafter prosecutes to completion with diligence and continuity the remedying thereof;
- (c) any Party (other than OLG) fails to perform or observe any term, covenant or agreement contained in a Material Agreement in any material respect which has a material adverse effect on the operation of the Complex and such failure remains unremedied for 30 days after the date on which such other Party receives notice of such failure from OLG, or for such shorter grace period as may be provided for in the applicable Material Agreement, or for such longer period as may be reasonably regarded as necessary to remedy such failure; provided, however, that in the latter case such other Party has commenced within a reasonable time and in good faith the remedying of such failure within such 30 day period or within such shorter grace period as may be provided for in the applicable Material Agreement, and thereafter prosecutes to completion with diligence and continuity the remedying thereof; or

- (d) an Event of Insolvency should occur in respect of any Party (other than OLG),

then, in addition to any other rights OLG may have under this Agreement, if OLG believes in its reasonable judgment that the default or event, if it continues to exist, will not permit the Casino to be viably operated and that alternate remedies available to OLG against the defaulting party are not adequate under the circumstances, OLG shall have the right, at its option, upon at least 120 days prior written notice to the other Parties, to terminate this Agreement, whereupon each of the Material Agreements shall likewise be terminated.

15.4 Termination by Rama.

Subject to Section 15.5 and to any agreements entered into with any lender in respect of a loan related to the Complex which has been approved by each of OLG and Rama, one of the following events shall happen:

- (a) any Party fails to make any payment when due to any Rama Entities under this Agreement and any such failure remains unremedied for 10 Business Days after notice thereof by the relevant Rama Entity to such Party;
- (b) OLG fails to perform or observe any covenant, agreement or term contained in this Agreement in any material respect and, as a consequence, there is a material adverse impact on Rama and any such failure shall remain unremedied for 30 days after the date on which OLG receives notice of such failure from Rama, or such longer period as may be reasonably regarded as necessary to remedy such failure, provided that OLG has commenced within a reasonable time and in good faith the remedying of such failure within such 30 day period and thereafter prosecutes to completion with diligence and continuity the remedying thereof;
- (c) OLG fails to perform or observe any term, covenant or agreement contained in a Material Agreement in any material respect which has a material adverse impact on Rama and such failure remains unremedied for 30 days after the date on which such other Party receives notice of such failure from Rama, or for such shorter grace period as may be provided for in the applicable Material Agreement, or for such longer period as may be reasonably regarded as necessary to remedy such failure; provided, however, that in the latter case OLG has commenced within a reasonable time and in good faith the remedying of such failure within such 30 day period or within such shorter grace period as may be provided for in the applicable Material Agreement, and thereafter prosecutes to completion with diligence and continuity the remedying thereof; or
- (d) an Event of Insolvency should occur in respect of OLG,

then, in addition to any other rights Rama may have under this Agreement, if Rama believes in its reasonable judgment that the default or event, if it continues to exist, will not permit the Casino to be viably operated, and that alternate remedies available to Rama against OLG are not adequate under the circumstances, or if a change in Applicable Law should occur pursuant to which OLG is no longer an agent of Her Majesty the Queen in Right of Ontario with the right to conduct and manage casino gaming in the Province of Ontario, Rama shall have the right, at its option, upon at least 120 days prior written notice to the other Parties, to terminate this Agreement, whereupon each of the Material Agreements shall likewise be terminated.

15.5 Curing Defaults.

(a) Cure Through Payment of Money. If an event giving rise to a right of termination under Section 15.3 or 15.4 has occurred and such event can be cured by the payment of money, then any Party hereto, at its option, may make such payment within the applicable grace period and, upon such payment, no Party shall have any right to terminate this Agreement. Notwithstanding the preceding sentence, any Party which is not the Party responsible for an event giving rise to a right of termination shall have a period of thirty (30) days from and after receipt of a notice of termination given by any other Party hereto which has the right to terminate because of such an event of termination, within which to make such payment and to cause such notice of termination to become null and void. Any Party electing to make a payment pursuant to this Subsection 15.5(a) shall retain full rights to pursue any other remedies it may have under this Agreement or otherwise in respect of the event giving rise to the payment, other than any rights it may have in respect of termination of this Agreement.

(b) Cure Other Than Through Payment of Money. If an event giving rise to a right of termination under Section 15.3 or 15.4 has occurred and such event cannot be cured by the payment of money, but can be otherwise cured, then any Party, which is not responsible for the event giving rise to the right to terminate, may effect such cure within thirty (30) days after such Party's receipt of a written notice of termination from any other Party who has a right to give such notice, or within such longer period as may be reasonably regarded as necessary to effect such cure, provided that cure has commenced within such (30) day period and is thereafter prosecuted to completion with diligence and continuity. No Party shall have the right to terminate this Agreement or any other Party's rights hereunder until it shall have given written notice of termination to every other Party and until all periods for effecting cure have expired. If cure has occurred, then no Party shall have any further right to terminate this Agreement on account of an event of termination which has been cured. Any Party electing to effect a cure under this Subsection 15.5(b) shall retain full rights to pursue any other remedies it may have under this Agreement or otherwise in respect of the event giving rise to the event cured, other than any rights it may have in respect of termination of this Agreement.

(c) Disputes. In the event that there is a dispute as to whether an event giving rise to a right of termination has occurred or as to whether such event has been cured within the applicable grace or cure period, such dispute shall be subject to the provisions of Section 20.1 and any applicable grace or cure period shall not commence until the final determination of such dispute in accordance therewith.

15.6 Payments on Termination.

In addition to its rights of termination under Section 15.3, OLG shall have the right, at its option, upon at least 120 days prior written notice to the other Parties to terminate this Agreement if, for any six consecutive quarters of three months each, the operations of the Complex suffer a loss for each such quarter on the quarterly income statement for the Complex prepared on an accrual basis in accordance with Canadian generally accepted accounting principles consistently applied, save and except that for the purposes of the aforesaid calculation, the amount of the Win Contribution shall not be considered as paid or payable; provided always that OLG agrees that it shall ensure that the Complex continues to operate during such six (6) consecutive quarters. Upon any termination of this Agreement by OLG pursuant to this Section 15.6, OLG shall pay to Rama the fair market value of the lease payments payable to Rama pursuant to the remaining term of the Ground Lease, the Complex Sublease, the Railway Lands Lease, the Permits and any other agreements relating to the lease or rental of lands or buildings forming part of the Complex (including Future Developments, but not, for greater certainty, in respect of the GED Training Centre). The Parties will use good faith efforts to agree to such fair market value within 30 Business Days, failing which they shall jointly retain a member of a major accounting firm with expertise in real estate leases (the "**Lease Expert**") within a further 10 Business Days to determine such fair market value, failing which, upon notice given by any Party and no sooner than five Business Days from but no later than 10 Business Days from the date of such notice, any Party may apply to the Superior Court of Justice (Ontario) for the appointment of a Lease Expert. The Lease Expert shall promptly determine such fair market value within 30 Business Days of the Lease Expert's appointment. The costs of such Lease Expert shall be borne solely by OLG. Such Lease Expert's determination of fair market value shall be final and binding on the Parties, absent manifest error.

15.7 Equitable Remedies.

Each of the Parties to this Agreement acknowledges that the subject matter of this Agreement is unique, because of, among other things, the nature of casinos and the laws governing the construction and operation of casinos and that the failure of performance of the duties of a Party hereunder may cause irreparable harm to other Parties hereto who are likely to be without an adequate remedy at law. Accordingly, the Parties agree that equitable remedies including, without limitation, the remedies of specific performance and mandatory and prohibitory injunction, shall be available under appropriate circumstances.

**ARTICLE 16
INDEMNIFICATION****16.1 Indemnity by OLG.**

OLG will, from time to time and at all times hereafter, well and truly save, defend and keep harmless and fully indemnify the Rama Entities and each of their respective officers, employees and agents, or any of them of, from and against all manner of Losses which may be brought against or made upon the Rama Entities, their respective officers, employees and agents, or any of them and of, from and against all Losses which may be sustained, incurred or paid by the Rama Entities, their respective officers, employees and agents, or any of them, by reason of, or on account of, or in consequence of the default or breach by OLG or any of its officers, employees, agents or Persons for whom it is responsible in law in connection with the performance of this Agreement (including, without limitation, any Operator) of OLG's obligations hereunder and will pay to the Rama Entities and to each such officer, employee or agent on demand any Losses which may be sustained, incurred or paid by the Rama Entities or by any of their respective officers, employees and agents in consequence of or in settlement of or in discharge or on account thereof and on default of payment by OLG of any Losses in accordance with this Section 16.1; any and all such monies so paid or payable may be deducted from any monies owing to OLG by the Rama Entities under this Agreement or any Material Agreement, or on any account whatever, or may be recovered from OLG in any court of competent jurisdiction as monies paid at OLG's request.

16.2 Indemnity by Rama Entities.

Rama will, from time to time and at all times hereafter, well and truly save, defend and keep harmless and fully indemnify OLG and its officers, employees and agents, or any of them, from and against all manner of Losses which may be brought against or made upon OLG and its officers, employees and agents, or any of them and of, from and against all Losses which may be sustained, incurred or paid by OLG and its officers, employees and agents, or any of them, by reason of, or on account of, or in consequence of the default or breach by any Rama Entity or any of a Rama Entity's officers, employees, agents or persons for whom such Rama Entity is responsible in law in connection with the performance of this Agreement of any Rama Entity's obligations hereunder and will pay to OLG and to each such officer, employee or agent on demand any Losses which may be sustained, incurred or paid by OLG, or by any of its officers, employees and agents in consequence of or in settlement of or in discharge or on account thereof and on default of payment by Rama of any Losses in accordance with this Section 16.2; any and all such monies so paid or payable may be deducted from any monies owing to any Rama Entity by OLG under this Agreement or any Material Agreement, or on any account whatever, or may be recovered from any Rama Entity in any court of competent jurisdiction as monies paid at such Rama Entity's request.

16.3 Timely Notice.

Whenever a Party (the "**Indemnified Party**") shall become aware of any claim, whether threatened or actual, which would subject another Party (the "**Indemnifying Party**") to the provisions of this Article 16, the Indemnified Party shall provide timely and written notice thereof to the Indemnifying Party, and each other Party to this Agreement, such notice stating whether the claim arises as a result of a Third Party Claim against the Indemnified Party and specifying with reasonable particularity the factual basis for the claim and the amount of the claim, if known. Upon the written request of an Indemnified Party, after receipt by it of any such notice, the Indemnifying Party shall furnish the Indemnified Party copies of all documents and provide any other material information relating to such claim that is in the possession or control of the Indemnifying Party (to the extent the Indemnifying Party may lawfully do so).

16.4 Third Party Claims.

With respect to any Third Party Claim which gives rise to a claim for indemnity under Section 16.1 or Section 16.2, the Indemnifying Party shall have the right, at its expense, to participate in or assume control of the negotiation, settlement or defence of the Third Party Claim and, in such event, the Indemnifying Party shall reimburse the Indemnified Party for all the Indemnified Party's out of pocket expenses. If the Indemnifying Party elects to assume such control, the Indemnified Party shall have the right to participate in the negotiation, settlement or defence of such Third Party Claim and to retain counsel to act on its behalf, provided that the fees and disbursements of such counsel shall be paid by the Indemnified Party unless the Indemnifying Party consents to the retention of such counsel or unless the named parties to any action or proceeding include both the Indemnifying Party and the Indemnified Party and a representation of both the Indemnifying Party and the Indemnified Party by the same counsel would be inappropriate due to the actual or potential differing interests between them (such as the availability of different defences). In such circumstances, the Indemnified Party's choice of counsel shall be subject to the prior written approval of the Indemnifying Party, acting reasonably; it being acknowledged by the Rama Entities that OLG may withhold its approval if a Rama Entity's proposed counsel does not agree to retainer terms, including fees, which are acceptable to OLG. If the Indemnifying Party, having elected to assume such control, thereafter fails to defend the Third Party Claim within a reasonable time, the Indemnified Party shall be entitled to assume such control and the Indemnifying Party shall be bound by the results obtained by the Indemnified Party with respect to such Third Party Claim. If the Indemnifying Party has elected to assume control, the Indemnified Party shall take all reasonable steps necessary to secure and preserve its rights in respect of any claim and, to the extent that the Indemnified Party has a right to commence a proceeding against another person (whether for damages, indemnification or otherwise) in respect of a matter for which the Indemnified Party is entitled to indemnification hereunder, the Indemnified Party shall assign that right to the Indemnifying Party and subrogate the Indemnifying Party to that right to the extent of the amounts for which the Indemnifying Party is liable under its indemnity.

16.5 Settlement of Third Party Claims.

If the Indemnifying Party fails to assume control of the defence of any Third Party Claim, the Indemnified Party shall have the exclusive right to contest, settle or pay the amount claimed. Whether or not the Indemnifying Party assumes control of the negotiation, settlement or defence of any Third Party Claim, the Indemnifying Party shall not settle any Third Party Claim without the written consent of the Indemnified Party, which consent shall not be unreasonably withheld or delayed; provided, however, that the liability of the Indemnifying Party shall be limited to the proposed settlement amount if any such consent is not provided by the Indemnified Party for any reason.

16.6 Co-operation.

The Indemnified Party and the Indemnifying Party shall co-operate fully with each other with respect to Third Party Claims, and shall keep each other fully advised with respect thereto (including supplying copies of all relevant documentation promptly as it becomes available).

16.7 Miscellaneous Matters Regarding Third Party Claims.

(a) If an Indemnifying Party is not a party to a Third Party Claim, the Indemnified Party shall consent to any order or leave that may be applied for by the Indemnifying Party to be added as a party or to be allowed to make representations on its own behalf without being a party.

(b) The expenses incurred by an Indemnified Party in investigating, defending or appealing any Third Party Claim shall, at the Indemnified Party's written request, be paid by the Indemnifying Party on an ongoing basis, as is appropriate to allow the Indemnified Party to properly investigate, defend or appeal such Third Party Claim; provided that, if it is ultimately determined that the Indemnified Party is not entitled to be indemnified hereunder, the Indemnified Party shall immediately repay to the Indemnifying Party all amounts advanced. In the event that the Indemnifying Party is OLG, amounts so repayable to it shall be deemed to be payable as a debt due to the Crown in right of Ontario.

16.8 No Subrogation.

Nothing in this Agreement shall be deemed to create any right of recovery whether by way of subrogation or otherwise on the part of any insurance or surety company.

16.9 Insured Claims.

Notwithstanding the provisions of Sections 16.1 and 16.2, no Party will be required to make any payments pursuant thereto to any other Party of any such Losses to the extent such Losses are covered by insurance.

**ARTICLE 17
TITLE MATTERS****17.1 Title to Complex.**

The Parties agree and acknowledge that first leasehold title to the lands identified as Complex Sublease Lands in Schedule I hereto and all Improvements thereon will be vested in Casino Rama Inc., subject, however, to the possessory rights of OLG under the Complex

Sublease and the licence rights of any Operator pursuant to any licence granted under Section 17.2. OLG shall at all times during the Applicable Period be the owner of all assets used in the Complex (save and except for furniture, furnishings and equipment, trade fixtures and other personal property owned by a Rama Entity and located in premises subject to the Retail Stores Licence or stored in the building (but not in the space leased to OLG or the Operator pursuant to the New Warehouse Lease) where the Complex's warehouse space leased pursuant to the New Warehouse Lease is located), including for greater certainty the FF&E, that are not Complex Lands or Improvements.

17.2 Access to Complex.

Rama hereby grants to OLG and to all Persons deriving access rights through OLG including any Operator engaged by OLG, and their respective officers, directors, employees, agents and representatives and permitted assigns (collectively, the "**Licenseses**"), a licence coupled with an interest in land (the "**Licence**") pursuant to which the Licensees shall be entitled to full and unimpeded access to the Complex during the Applicable Period for all purposes consistent with the performance by OLG of its services hereunder and by OLG or any Operator of its services to operate the Complex. The Licence shall enure to the benefit of OLG, all Persons deriving access rights through OLG (including any Operator engaged by OLG) and their respective successors and permitted assigns and shall be binding upon the successors and assigns of Rama. Upon the written request of OLG, Rama will, subject to any required consents, execute a registerable document evidencing the grant of the Licence and OLG shall be entitled to register the same against title to the Complex Lands.

17.3 Discharge of Encumbrances.

Within 30 days following the date of this Agreement,

- (a) Rama shall discharge or shall cause to be discharged the mortgage in favour of The Bank of Nova Scotia registered against the lands identified as Complex Sublease Lands in Schedule 1 hereto; and in respect of such mortgage, every assignment and non-disturbance agreement registered in connection with such mortgage, including, without limitation, Instruments 281385, 218386 and 281388 in the Register; and
- (b) Rama shall deliver to OLG a non-disturbance agreement from The Bank of Nova Scotia in a form satisfactory to OLG that is in favour of OLG in respect of the lands that are subject to each of the Railway Lands Lease (including the Agreement Re Railway Lands Lease and the lease to be entered into pursuant to its terms), the New Warehouse Lease (including the Agreement Re Warehouse Lease and the lease to be entered into pursuant to its terms) and the Administration Subleases (including the Agreement Re Administration Buildings Lease and the lease to be entered into pursuant to its terms); provided further that such non-disturbance agreements will be replaced, as promptly as possible, by a discharge of any mortgage in favour of The Bank of Nova Scotia registered against any lands that are subject to each of the Railway Lands Lease, the New Warehouse Lease and the Administration Subleases if at any time Rama becomes entitled to have The Bank of Nova Scotia discharge any such mortgage, including and in respect of each such mortgage, a discharge of any assignment and non-disturbance agreement registered in connection with such mortgage, without limitation, Instruments 268778, 268779, 268780 and 268781 in the Register and Instrument No. LT438464 in the land registry office for the land titles division of Simcoe (#51).

ARTICLE 18
INSURANCE

18.1 Insurance.

OLG shall purchase and maintain throughout the term of this Agreement, insurance that complies with the requirements of Schedule 3. OLG shall provide to Rama any information concerning such insurance as may be reasonably requested by Rama. OLG shall comply with all laws related to Workers Compensation and shall from time to time produce certificates evidencing such compliance.

ARTICLE 19
DESTRUCTION/EXPROPRIATION

19.1 Destruction.

Subject to the terms of any agreement to the contrary, if all or substantially all of the Complex shall be destroyed by fire or other casualty during the Applicable Period, OLG by written notice to Rama given within 120 days after the occurrence of such event, may elect to rebuild or restore the Complex or replacement facility. If OLG does not so elect during such 120 day period, the proceeds of any Insurance shall be paid to Rama, except as such proceeds relate to assets owned by OLG pursuant to Section 17.1.

19.2 Expropriation.

If all or substantially all of the Complex is expropriated, this Agreement shall be deemed to be frustrated and the proceeds of compensation shall be distributed as follows:

- (a) Rama shall receive from the expropriation proceeds an amount that is equal to (i) the fair market value of the Complex

used for its highest and best use other than as a Casino, Hotel, Entertainment Centre and all businesses related to or ancillary to the operation of a Casino, Hotel and Entertainment Centre and (ii) the then present value of the Rama Fee (using an appropriate discount rate for the commercial real estate market at such time and using an annual Rama Fee that is equal to the average annual Rama Fee paid or payable over the preceding five years) for the remaining term of this Agreement (presuming the non-exercise of any extension options which had not already then been exercised and further presuming that this Agreement terminates on March 14, 2021 if the Rama Entities have not already satisfied the requirements in Subsection 3.1(a) or (b) of this Agreement). The Parties will use good faith efforts to agree to such fair market value, present value and discount rate within 30 Business Days of the expropriation proceeds being determined, failing which they shall jointly retain a member of a major accounting firm with expertise in real estate (the "**Real Estate Expert**") within a further 10 Business Days to determine such fair market value, present value and discount rate, failing which, upon notice given by any Party and no sooner than five Business Days from but no later than 10 Business Days from the date of such notice, any Party may apply to the Superior Court of Justice (Ontario) for the appointment of a Real Estate Expert. 45. **Arbitration:**
- (a) Any dispute arising between the Lessor and the Lessee concerning any matter pertaining to this Lease, including, without limitation, any dispute as to whether a party has acted reasonably or has unreasonably withheld any consent or approval in situations where such party is expressly required under this Lease to act reasonably or not to unreasonably withhold any consent or approval, as the case may be, and any inability of the parties to reach an agreement or understanding required or contemplated by this Lease may be submitted to arbitration pursuant to this Section 45.
- (b) Whenever any arbitration is permitted or required under this Lease, arbitration proceedings shall be commenced by a party desiring arbitration (hereinafter called the "Initiating Party") giving notice to the other party or parties entitled to participate in the arbitration proceedings (hereinafter called the "Responding Party") specifying the matter to be arbitrated and requesting an arbitration thereof. - (c) The resultant arbitration panel, whether composed of one Arbitrator or three Arbitrators, shall thereupon proceed to hear the submissions of the parties, and shall render a decision within 30 days after the appointment of a single Arbitrator agreed upon by the Initiating Party and the Responding Party, if applicable, or within 30 days after the appointment of the third Arbitrator, if there are three Arbitrators, or within 45 days after the Initiating Party has designated its Arbitrator, if such Arbitrator is the sole Arbitrator. If there are three Arbitrators, the decision of a majority of the arbitration panel shall be deemed to be the decision of the arbitration panel, and such decision, or the decision of the sole Arbitrator, as the case may be, shall be final and binding upon the parties and not subject to appeal. The arbitration panel, or the sole Arbitrator, as the case may be, shall have the authority to assess the costs of the arbitration panel against either or both of the parties, provided, however, that each party shall bear its own witness and counsel fees. In all other respects, unless otherwise agreed between the parties, the arbitration shall be conducted in accordance with the provisions contained in the Act.
46. **No Implied Covenant:** No implied covenant or liability on the part of the Lessor is created by the use of the words "lease" contained herein.
47. **Gender:** This Lease shall be read with all changes of gender or number required by the context.

The Sublessee agrees to co-operate with the Sublessor in connection with the Sublessor's obligation under the Ground Lease to report to the Minister in respect of compliance with the Monitoring and Mitigation Plan. 21. **Trees:** No person shall cut or remove any tree on the Demised Land without the written permission of the Head Lessor or the Band Council. It is acknowledged and agreed that the Head Lessor may order the cutting of any trees and the Sublessor and the Sublessee shall forthwith comply with such order.
22. **Rubbish:** No rubbish or any matter of an offensive nature shall be deposited anywhere on the Demised Land except in such places and at such times and under such conditions as may be designated therefor by applicable laws.
23. **Nuisance:** It is acknowledged and agreed that under the Ground Lease, where, in the opinion of the Head Lessor, a nuisance exists upon the Demised Land, the Head Lessor may order the Sublessor or occupier of the Demised Land, to abate the nuisance and clean up the Demised Land, and if the Sublessor or occupier fails to do so, the Head Lessor may take whatever steps may be necessary to abate the nuisance and the Sublessor shall be liable for the cost thereof. If the Lessee removes the Improvements erected, constructed and placed therein and thereon by the Lessee on the Demised Land pursuant to the Lessor's direction, the Lessee will clean up and leave the Demised Land in a condition satisfactory to the Lessor and if the Lessee does not clean up the Demised Land or remove all Improvements therefrom to the satisfaction of the Lessor, the Lessor may take whatever steps are necessary to remove any and all Improvements not removed and clean up the Demised Land, and the Lessee shall be liable for the costs thereof and the same may be collected in the same manner as other debts due to the Lessor, and the Lessee shall pay such costs forthwith upon receipt of a demand therefor in writing from the Lessor.

35. **Waiver:** No waiver on behalf of the Sublessor of any breach shall take place or be binding unless the same be expressed in writing over the signature of the Sublessor or the Sublessor's authorized representative and any waiver so expressed shall extend only to that particular breach to which such waiver specifically relates and shall not be deemed to be a general waiver or to limit or affect the rights of the Sublessor with respect to any other breach.

36. **Remedies/Non-Exclusive:** That no remedy herein conferred upon or reserved to the Sublessor is intended to be exclusive of any other remedy herein contained or by law provided that such remedies shall be cumulative and shall be in addition to every other remedy given hereunder or hereafter existing at law or in equity. Notwithstanding the foregoing, the Sublessor shall not have the right to terminate this Sublease save as set out in Section 28 hereof.

39. **Arbitration:**

Notwithstanding that the OLG Warehouse Lease may require that the Tenant pay Rent and other amounts due thereunder for a period commencing August 1, 2011, the Landlord and the Tenant acknowledge and agree that the payment by the Tenant of Rent and/or any other amounts due under the OLG Warehouse Lease shall not commence unless and until the Rectification Measures (if any) are completed by the Landlord. Upon delivery of the Rama Response, the Landlord shall commence and complete the Rectification Measures and the Tenant shall cooperate with the reasonable requests of the Landlord in connection with the completion of such Rectification Measures (including, without limitation, vacating any portions of the Premises that are reasonably required to be vacated for the purposes of performing and completing the Rectification Measures required for such portions). If the Landlord does not deliver a Rama Response within the time period provided for herein or at any time elects not to complete the Rectification Measures, the Tenant shall be entitled, by written notice and at its sole discretion, to terminate this Agreement and/or the OLG Warehouse Lease, as the case may be, in which event the Tenant shall not be required to pay any Rent or other amounts due under OLG Warehouse Lease and neither party shall have any claim against the other in respect of the termination of the OLG Warehouse Lease (except for any claim that the Tenant may have against the Landlord for the repayment of Rent and/or any other amounts paid by the Tenant to the Landlord pursuant to the OLG Warehouse Lease).

(c) Notwithstanding anything to the contrary contained herein, this Section 4 shall survive the execution and delivery of the OLG Warehouse Lease and the occupation of the Tenant of the Premises. Should there be any conflict or inconsistency between the terms contained in this Section 4 and the terms contained in the OLG Warehouse Lease, the terms contained in this Section 4 shall prevail in all respects.

4. Landlord's Covenant re Existing Leasehold Improvements

(a) The Landlord agrees to use all efforts that a landlord leasing comparable premises would reasonably use to enforce all of its rights under each Existing Administration Lease with respect to any Leasehold Improvements and/or trade fixtures that were installed by or on behalf of CHC Canada during the Term of the applicable Existing Administration Lease (including, without limitation, with respect to the

removal thereof and/or making good any damage or injury caused thereby), provided that the Landlord shall not be required to expend any money in enforcing such rights unless it so chooses. The Landlord shall also provide any access and/or information reasonably requested by the Tenant in order to ensure that the physical condition of the Administration Premises will be acceptable to the Tenant as of August 1, 2011.

(b) Notwithstanding that the Landlord and the Tenant may have entered into the OLG Administration Lease on or prior to August 1, 2011 or anything to the contrary contained herein, if CHC Canada has not complied with its obligations under either Existing Administration Lease with respect to its Leasehold Improvements and/or trade fixtures (including, without limitation, with respect to the removal thereof and/or making good any damage or injury caused thereby) and the Tenant has determined, in its sole discretion, that the physical condition of the Administration Premises would materially and adversely affect its intended use of or operations within the Administration Premises, the Tenant may deliver to the Landlord, no later than the later of: (i) seven days after the date that CHC Canada has vacated the Administration Premises; and (ii) August 8, 2011, written notice (the "**OLG Notice**") of the same, which notice shall specify in reasonable detail what repairs or other remedial actions would be required to rectify the failure of CHC Canada to comply with its obligations under the Existing Administration Leases (collectively, the "**Rectification Measures**"). Upon receipt of the OLG Notice, the Landlord shall have ten days within which to deliver a written notice to OLG (the "**Rama Response**") declaring that it is prepared to perform and complete the Rectification Measures at its cost, which notice shall include, if reasonably possible, an anticipated timeline for the completion thereof. Notwithstanding that the OLG Administration Lease may require that the Tenant pay Rent and other amounts due thereunder for a period commencing August 1, 2011, the Landlord and the Tenant acknowledge and agree that the payment by the Tenant of Rent and/or any other amounts due under the OLG Administration Lease shall not commence unless and until the Rectification Measures (if any) are completed by the Landlord. Upon delivery of the Rama Response, the Landlord shall commence and complete the Rectification Measures and the Tenant shall cooperate with the reasonable requests of the Landlord in connection with the completion of such Rectification Measures (including, without limitation, vacating any portions of the Administration Premises that are reasonably required to be vacated for the purposes of performing and completing the Rectification Measures required for such portions). If the Landlord does not deliver a Rama Response within the time period provided for herein or at any time elects not to complete the Rectification Measures, the Tenant shall be entitled, by written notice and at its sole discretion, to terminate this Agreement and/or the OLG Administration Lease, as the case may be, in which event the Tenant shall not be required to pay any Rent or other amounts due under OLG Administration Lease and neither party shall have any claim against the other in respect of the termination of the OLG Administration Lease (except for any claim that the Tenant may have against the Landlord for the repayment of Rent and/or any other amounts paid by the Tenant to the Landlord pursuant to the OLG Administration Lease).

(c) Notwithstanding anything to the contrary contained herein, this Section 4 shall survive the execution and delivery of the OLG Administration Lease and the occupation of the Tenant of the Administration Premises. Should there be any conflict or inconsistency between the terms contained in this Section 4 and the terms contained in the OLG Administration Lease, the terms contained in this Section 4 shall prevail in all respects.

7. **Further Assurances**

Each of the Parties shall execute and deliver all such further documents and do such other things as the other Party may reasonably request to give full effect to this Agreement.

8. **Obligations as Covenants**

Each agreement and obligation of any of the Parties hereto in this Agreement, even though not expressed as a covenant, shall be considered for all purposes to be a covenant.

9. **Time**

Time shall be of the essence in this Agreement.

10. **Successors and Assigns**

All of the covenants and agreements in this Agreement shall be binding upon the Parties and their respective successors and assigns and shall enure to the benefit of and be enforceable by the Parties and their respective successors and their permitted assigns pursuant

to the terms and conditions of an agreement dated July 17, 2009 between, among others, the Landlord and the Tenant, with respect to the operation of the Casino from and after August 1, 2011.

11. Counterparts; Facsimile Delivery

This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which taken together shall be deemed to constitute one and the same instrument. AMENDMENTS TO NATIONAL INSTRUMENT 31-103 REGISTRATION REQUIREMENTS AND EXEMPTIONS AND RELATED INSTRUMENTS

On July 11, 2011, amendments made to three rules under the *Securities Act* came into force (the Amendments). The rules are: National Instrument 31-103 *Registration Requirements and Exemptions*, now renamed National Instrument 31-103 *Registration Requirements, Exemptions and Ongoing Registrant Obligations* (NI 31-103); National Instrument 33-109 *Registration Information*, and Ontario Securities Commission Rule 33-506 (*Commodity Futures Act*) *Registration Information*.

NI 31-103 originally came into force on September 28, 2009 and introduced a new national regime for registrants that is harmonized, streamlined and modernized. Following its monitoring of the implementation of this regime and continuing dialogue with stakeholders, the Ontario Securities Commission made the Amendments. The Amendments will enhance investor protection and improve the day-to-day operation of the national regime for registrants for both industry and regulators. The full text of the Amendments is available in the Ontario Securities Commission's Bulletin at (2011) 34 OSCB 7547 and on the Commission's web site at www.osc.gov.on.ca.

ONTARIO REGULATION 365/11

made under the

ONTARIO CLEAN ENERGY BENEFIT ACT, 2010**REMOTE UNLICENSED DISTRIBUTORS — MINISTER'S RULES UNDER SECTION 2 OF
ONTARIO REGULATION 495/10**

Made: July 28, 2011

Filed: July 29, 2011

Published on e-Laws: August 2, 2011

Printed in *The Ontario Gazette*: August 13, 2011**Purpose****1. This Regulation sets out the Minister's Rules for determining,**

- (a) who is a remote unlicensed distributor;
- (b) which customers of a remote unlicensed distributor are eligible to receive an Ontario clean energy benefit;
- (c) how the base invoice amount, on which the Ontario clean energy benefit is calculated, is determined for each customer who is entitled to an Ontario clean energy benefit;

- (d) how an Ontario clean energy benefit is provided by a remote unlicensed distributor to customers who are eligible to receive it; and
- (e) how remote unlicensed distributors are reimbursed for the Ontario clean energy benefits they provide.

Definitions

2. In these Rules,

“distributor” means a remote unlicensed distributor;

“Minister” means the Minister of Energy;

“Ministry” means the Ministry of Energy;

“program period” means the period commencing January 1, 2011 and ending December 31, 2015.

Who is a remote unlicensed distributor

3. (1) A remote unlicensed distributor is a person, corporation or organization that,

- (a) distributes electricity in a remote community listed in Schedule 1;
- (b) issues invoices for electricity distributed to electricity customers who are eligible to receive an Ontario clean energy benefit; and
- (c) is willing to provide Ontario clean energy benefits to those customers as an agent of the Minister.

Enrolment

4. (1) In order to take part in the Ontario clean energy benefits program, a remote unlicensed distributor must first submit a completed form entitled “Enrolment Application”, available from the Ministry, to the contact person at the Ministry listed on the form.

(2) The distributor must submit with the Enrolment Application,

- (a) information on the distributor’s electricity pricing structure;
- (b) information on the distributor’s consumer rate classes, if any, including the number of customers within each consumer rate class; and
- (c) a sample of an invoice it intends to issue to its electricity customers that shows the amount of Ontario clean energy benefits the customer is entitled to with respect to the time period specified on the application.

(3) The Ministry may request, at any time and from time to time, and the distributor shall provide any additional information or documents the Ministry requires in order to confirm that the distributor is a remote unlicensed distributor during the program period and to determine if there are consumers who have eligible accounts with the distributor during the program period.

Who is eligible to receive Ontario clean energy benefits from a remote unlicensed distributor

5. A person is eligible to receive an Ontario clean energy benefit from a distributor if the person is, at any time during the program period, a consumer in a remote community listed in Schedule 1 who has an eligible account with the distributor based on at least one of the following conditions set out in the definition of “eligible account” in subsection 2 (1) of the Act:

- 1. The consumer has a demand for electricity of 50 kilowatts or less.
- 2. The consumer annually uses not more than 250, 000 kilowatt hours of electricity.
- 3. The account relates to,
 - i. a dwelling,
 - ii. a property, within the meaning of the *Condominium Act, 1998*,
 - iii. a residential complex, within the meaning of the *Residential Tenancies Act, 2006*,
 - iv. a property that includes one or more housing units and that is owned or leased by a co-operative within the meaning of the *Co-operative Corporations Act*.

Calculating the Ontario clean energy benefit: base invoice amount

6. (1) The purpose of this section is to determine the amount of a consumer’s base invoice amount for a billing period for which an invoice for electricity is issued. A consumer’s Ontario clean energy benefit for a billing period is 10 per cent of the base invoice amount for the billing period or, if the billing period is partly outside the program period, for that portion of the billing period that is within the program period.

(2) The base invoice amount for a billing period includes the cost of the electricity billed to the consumer for the billing period, including the variable and fixed charges relating to the production and delivery of the electricity, and the harmonized sales tax (HST) payable by the consumer, but only for electricity consumed in the program period.

(3) The base invoice amount for a billing period for a consumer must exclude,

- (a) any unpaid amounts that have already been billed for a previous billing period;
- (b) all penalties, interest and any other charges not relating to the production and delivery of electricity to the consumer during the billing period;
- (c) any charges relating to electricity supplied to the consumer before or after the program period; and
- (d) the amount of harmonized sales tax (HST) on the amounts excluded under clause (a), (b) or (c) from the base invoice amount for the billing period.

(4) If an invoice issued to a consumer for a billing period includes any charges for electricity consumed before or after the program period, the remote unlicensed distributor may make a reasonable estimate of the portion of the electricity consumed during the program period and the electricity charges relating to that electricity in order to determine the base invoice amount for that billing period.

How the distributor provides the Ontario clean energy benefit to a consumer

7. (1) The amount of the Ontario clean energy benefit for a billing period must be shown as a line item on the invoice issued to the consumer for the billing period and must be labelled as the "Ontario Clean Energy Benefit". This line item may be located below all the amounts included in calculating the base invoice amount and must be deducted to determine the amount owing by the consumer for the billing period.

(2) If an invoice is the first invoice issued to a consumer on which a credit for the Ontario clean energy benefit is provided (and the consumer has not received the Ontario clean energy benefit through other means), the invoice must also include a "catch up" amount equal to the sum of the Ontario clean energy benefit amounts to which the consumer is entitled in respect of electricity provided by the distributor in the program period but before the start of the current billing period.

(3) If a consumer's eligible account for electricity with a remote unlicensed distributor is closed before the consumer receives all or part of his or her Ontario clean energy benefits from the distributor, the following rules apply:

1. The distributor may apply the amount of the benefits the consumer is entitled to receive but has not yet received to any outstanding balance owing by the consumer to the distributor.
2. If the amount then remaining that the consumer is entitled to receive but has not yet received is at least \$10, the distributor must mail or deliver by hand that unpaid amount to the consumer's most recent address known to the distributor.
3. If a cheque mailed or delivered by hand in accordance with paragraph 2 has not been cashed despite the best efforts of the distributor to deliver it, and the cheque has ceased to be negotiable through the passage of time, the distributor is no longer liable to pay the benefits to the consumer and must ensure that the amount is repaid or credited to the Minister of Finance.
4. The distributor shall pay or credit to the Minister of Finance all amounts of less than \$10 that are not paid by the distributor and all amounts referred to in paragraph 3,
 - i. by reporting the total amount in the next Energy Report Form, required under section 8, as a deduction from the amount of any reimbursement payable to the distributor, or
 - ii. by remitting the total amount to the Ministry of Energy (but payable to the Minister of Finance).

Reimbursement of benefits provided to consumers

8. (1) To receive a reimbursement for Ontario clean energy benefits provided to its consumers, a remote unlicensed distributor must complete a form entitled "Energy Report", available from the Ministry, for each billing period for which the distributor provided an Ontario clean energy benefit to a consumer, and must submit it to the Ministry in accordance with the directions on the form.

(2) The Ministry may at any time request, and the distributor shall provide, within the time specified in the request, any additional information or documents the Ministry considers necessary to determine the amount of the reimbursement to be made to the distributor. No reimbursement for a billing period may be made until the Ministry has received the Energy Report for the billing period and any additional information or documents it has requested to verify the amount to be reimbursed.

(3) Based on the information provided in an Energy Report and any additional information and documents provided by the distributor, the Minister shall reimburse the distributor for the amount of Ontario clean energy benefits provided to consumers. The reimbursement shall be made in the manner set out in the Enrolment Application submitted by the distributor or in another manner agreed to by the distributor and the Ministry.

(4) The amount of a reimbursement may be subsequently adjusted by way of a reduction or increase in the amount of a subsequent reimbursement if it is subsequently determined by an inspector under section 9 of the Act or by the Ministry that the amount of the reimbursement was inaccurate.

(5) The distributor will not be reimbursed for any billing period for which the Energy Report is received by the Ministry after June 30, 2016.

Ministry of Municipal Affairs and Housing**Ontario Housing Policy Statement****Preamble**

Ontario's vision for affordable housing is to improve access to adequate, suitable and affordable housing, and provide a solid foundation on which to secure employment, raise families and build strong communities.

The housing system in Ontario includes market and non-market housing options, and related services, which can support Ontario's objectives of economic prosperity and social and environmental well-being. Housing initiatives should be planned and implemented with a view to these broader goals.

The province's Long-Term Affordable Housing Strategy focuses on transforming the way

housing and homelessness services are delivered in order to achieve better outcomes for people. The goal of integrated local planning is to create opportunities for people that foster independence and enable participation in the community and economy.

Since 2000, Ontario's 47 Service Managers have been responsible for delivering and administering social and affordable housing, other social services programs such as Ontario Works and childcare, and in many cases also deliver homelessness initiatives. The term Service Manager includes Municipal Service Managers that may be regional governments, counties or separated cities, and District Social Services Administration Boards, which are boards established in each of the 10 districts in Northern Ontario.

The province recognises that Ontario's Service Managers serve communities with diverse needs, resources and capacities. The province also recognises that Ontario's municipalities are the largest contributors to funding for housing and homelessness services and that the future of affordable housing depends on sustained funding. An affordable housing framework with a long-term funding commitment from the federal government that is fair to Ontarians is vital to help Ontario's Service Managers and housing providers to plan and develop more cost effective and efficient housing programs and open the door to better futures for Ontarians.

In 2008, the consensus report of the Provincial-Municipal Fiscal and Service Delivery Review observed that the province and municipalities would achieve better results for people by working together to build locally-managed housing services, simplify the delivery of income assistance supports, and better focus on positive results for people. In 2010 the province set out a strategy to transform the provincially controlled social housing system to a flexible, community-centred system, addressing the entire housing continuum, in partnership with Service Managers and municipalities.

The Housing Services Act, 2011 ("the Act") requires that Service Managers prepare local housing and homelessness plans that address matters of provincial interest and are consistent with policy statements issued under the Act. The Act also provides that the Minister of Municipal Affairs and Housing ("the Minister") may be able to exercise remedies in certain situations.

Under the Act, there are provincial interests in a system of housing and homelessness that:

- (a) is focussed on achieving positive outcomes for individuals and families;
- (b) addresses the housing needs of individuals and families in order to help address other challenges they face;
- (c) has a role for non-profit corporations and non-profit housing cooperatives;
- (d) has a role for the private market in meeting housing needs;
- (e) provides for partnerships among governments and others in the community;
- (f) treats individuals and families with respect and dignity;
- (g) is co-ordinated with other community services;
- (h) is relevant to local circumstances;
- (i) allows for a range of housing options to meet a broad range of needs;
- (j) ensures appropriate accountability for public funding;
- (k) supports economic prosperity; and
- (l) is delivered in a manner that promotes environmental sustainability and energy conservation.

It is also a matter of provincial interest that the Service Manager's housing and homelessness plans be consistent with other plans that may be prescribed under the Act.

The province recognises that Service Managers and stakeholders in the delivery of housing and homelessness services share these interests and the understanding that an improved system will result in better outcomes related to health, education, and community building and will contribute to Ontario's long-term economic prosperity.

The Ontario Housing Policy Statement is intended to provide additional policy context and direction to Service Managers to support the development of locally relevant plans. Strong partnerships and collaboration between the province, Service Managers, municipalities, housing providers and other stakeholders are essential to its successful implementation.

Policy Direction

1. ACCOUNTABILITY AND OUTCOMES

1.1 Background

Responsibility for housing and homelessness is shared among multiple partners including federal, provincial and local governments, as well as not-for-profit service providers, the private sector, volunteers, individuals and families. The Act sets out certain responsibilities for Service Managers and the province. The Act provides Service Managers with the flexibility to use funding, tools and other resources to better address the unique housing needs of their community across the housing continuum. While the province will review local housing and homelessness plans, the Service Manager will approve the plan and the accountability for identifying and addressing need is between the Service Manager and the public it serves. Both the province and Service Managers will provide annual progress reports to the public. The Long-Term Affordable Housing Strategy committed to a series of performance measures, including the Ontario Housing Measure and the Rental Affordability Indicator which will be reported on by the province, as well as Social Housing Tenant Satisfaction Surveys and local metrics, reported on by Service Managers in order to track progress in meeting local needs.

1.2 Policy Direction

Service Managers will ensure that local housing and homelessness plans:

- a. demonstrate a system of coordinated housing and homelessness services to assist families and individuals to move toward a level of self-sufficiency;
- b. include services, supported by housing and homelessness research and forecasts, that are designed to improve outcomes for individuals and families;
- c. are coordinated and integrated with all municipalities in the service area;
- d. contain strategies to increase awareness of, and improve access to, affordable and safe housing that is linked to supports, homelessness prevention and social programs and services;
- e. contain strategies to identify and reduce gaps in programs, services and supports and focus on achieving positive outcomes for individuals and families;
- f. contain local housing policies and short and long-term housing targets;
- g. provide for public consultation, progress measurement, and reporting.

1.3 Anticipated Results

Measurable, improved outcomes for individuals and families will be achieved through increased access to locally relevant programs, services, and supports that are coordinated and address identified needs. Service Managers will be able to demonstrate accountability for achieving these results in a fiscally responsible manner.

2. GOAL OF ENDING HOMELESSNESS

2.1 Background

The province's policy for ending homelessness puts a primary focus on helping people who are homeless, or at-risk of homelessness, to quickly access safe, affordable and stable housing. This approach, referred to as Housing First, is linked to the provision of a variety of flexible supports based on clients' needs that can assist people in sustaining their housing, and with re-housing when necessary. A Housing First approach also assists people who are homeless, or at-risk of homelessness, to address other challenges and needs, with a goal of connecting them to community supports and improving social inclusion.

2.2 Policy Direction

Service Managers will ensure that housing and homelessness plans:

- a. provide measures to prevent homelessness by supporting people to stay in their homes including eviction prevention measures and the provision of supports appropriate to clients' needs;
- b. are based on a Housing First philosophy and developed in consultation with a broad range of local stakeholders including those who have experienced homelessness;
- c. support innovative strategies to address homelessness;
- d. include the provision of supports prior to and after obtaining housing to facilitate transitioning people from the street and shelters to safe, adequate and stable housing.

2.3 Anticipated Results

Communities will have strategies to prevent and to reduce homelessness and assist people who are homeless to find and keep housing and be able to demonstrate that these strategies have a measurable impact on at-risk and homeless individuals and families.

3. NON-PROFIT HOUSING CORPORATIONS AND NON-PROFIT HOUSING CO-OPERATIVES

3.1 Background

Non-profit housing corporations and non-profit housing co-operatives have an important role in helping to deliver effective housing services and fostering inclusive communities. They provide a significant amount of affordable housing and play a key role in developing and managing housing and homelessness solutions. This includes non-profit housing organizations owned by community groups, municipal non-profits and local housing corporations controlled by Service Managers. Through active tenant involvement, they engage in community-building and create a pride of place that can serve as a foundation for every person to achieve his or her full potential, and contribute to and participate in a prosperous and healthy Ontario. Non-profit housing corporations and non-profit housing co-operatives play a significant role in the housing continuum.

3.2 Policy Direction

Service Managers will ensure that their housing and homelessness plans:

- a. reflect the active engagement of non-profit housing corporations and non-profit housing co-operatives in current and future needs planning;
- b. include strategies to support non-profit housing corporations and non-profit housing co-operatives in the delivery of affordable housing;
- c. include strategies to support ongoing access to affordable housing by preserving existing social housing capacity.

3.3 Anticipated Results

Community-based approaches to social housing are maintained through the continuous engagement and support of non-profit housing corporations and non-profit housing co-operatives, so that affordable options that exist today will continue to be available in the future.

4. THE PRIVATE MARKET

4.1 Background

In Ontario, most of the housing need and demand is met by the private market, through private home ownership and private market rental. This includes a role for the private market in preventing and addressing homelessness, where private market capacity is present. When combined with housing allowances, rent supplements and rent supports, private market capacity can prevent the marginally housed from becoming homeless. Service Managers have employed a variety of strategies and programs to assist people in affordable home ownership. Through careful land use planning, municipalities can regulate their private market housing growth and development while satisfying important social, economic and environmental concerns. The legislative framework under the Planning Act includes processes and tools to help municipalities plan and control private development or redevelopment.

4.2 Policy Direction

Service Manager housing and homelessness plans will set out a strategy to generate municipal support for an active and vital private ownership and rental market, including second units and garden suites, as a necessary part of the housing continuum including affordable home ownership, where appropriate.

4.3 Anticipated Results

Current and future housing needs within the service area that can be addressed by the private market are identified, targets are established, and progress is measured. Second units and garden suites are promoted and supported.

5. CO-ORDINATION WITH OTHER COMMUNITY SERVICES

5.1 Background

A human service system includes the organizations, groups and individuals involved in administering and delivering a set of interdependent supports and services that meets the defined needs of people. Service Managers occupy a unique position as system managers and major service providers in the areas of income support and allied employment services, early learning and child care services, social housing, and homelessness initiatives. While the level of system integration varies across the province, there are opportunities to build on existing strategic

planning for housing, homelessness and other human services that many Service Managers have already undertaken. The particular form taken by a community's human services system depends upon the services available in that community, the local needs and the local commitment to the integration of human services. Improved integration of human services planning and delivery would enhance administrative efficiency and provide for the more effective coordination of services. As a result, people would be better able to access the range of services they need.

5.2 Policy Direction

Service Manager housing and homelessness plans will demonstrate how progress will be made in moving toward integrated human services planning and delivery.

5.3 Anticipated Results

Improved integration of housing and homelessness plans and services with other human services planning and delivery will result in better outcomes for the people accessing services.

6. A BROAD RANGE OF COMMUNITY NEEDS

6.1 Background

The province remains committed to its Special Priority Policy that helps victims of domestic violence and their families escape unsafe and abusive situations, and to improving accessibility for people with disabilities in key areas of daily living. The regulations under the Act include a requirement that these matters be addressed in local housing and homelessness plans. The province is committed to building stronger, more positive relationships with Aboriginal people in Ontario and to improving their quality of life. The identification of a broad range of community needs, and working to develop services, supports, programs and protections that address these needs, will result in a better experience for people who require assistance. This will satisfy the broader goal of allowing people to live with respect and dignity in their homes and thrive in their communities.

6.2 Policy Direction

a. Accessibility

Service Manager housing and homelessness plans will contain an assessment of needs that identifies and sets local requirements for accessible housing and homelessness services for people with disabilities, including those who have mental health needs or illness and/or substance use issues.

b. Special Priority Policy

Service Manager housing and homelessness plans will include a strategy setting out how the housing needs for victims of domestic violence will be addressed and managed at the local level, in coordination with other community-based services and supports.

c. Aboriginal Peoples Living Off-Reserve

Service Manager housing and homelessness plans will identify and consider the housing needs of Aboriginal Peoples living off-reserve.

d. Community Needs

Service Manager housing and homelessness plans reflect the evolving demographics of their community and address the needs of specific local groups. Local groups might include: seniors, youth, women, immigrants, persons released from custody or under community supervision, Crown Wards, and Franco-Ontarians.

6.3 Anticipated Results

Community integration and diversity will be reflected through meeting the needs of people with disabilities, victims of domestic violence, Aboriginal Peoples living off-reserve, and those in other locally defined groups.

7. ENVIRONMENTAL SUSTAINABILITY AND ENERGY CONSERVATION

7.1 Background

Across Ontario there is increased awareness of the importance of developing sustainable and energy efficient housing. The province is committed to being a leader in building renewable energy, encouraging energy and water conservation and creating green jobs by supporting investment that builds a stronger, cleaner economy. Energy efficient housing is less expensive to operate, less vulnerable to increased energy costs, and provides for higher quality living environments. Housing located near public and community transit options can provide access to schools, health services and employment centres which would improve social inclusion, build economic prosperity, and further reduce energy consumption and cost.

7.2 Policy Direction

Service Manager housing and homelessness plans will demonstrate a commitment to improve the energy efficiency of existing and future publicly funded housing stock. This includes support for energy conservation and energy efficiency through operating programs, tenant engagement, housing located near transportation choices, and innovative investment decisions such as the installation of renewable energy and low carbon technologies.

7.3 Anticipated Results

Service Managers will provide specific strategies to build a more energy efficient publicly funded housing portfolio while helping create a stronger, cleaner economy that better protects our environment.
